Spaces

Main Entry

Bottle Garden Placement

The compact bottle garden adds a refreshing touch of green to the cozy corner setup. It creates a calm focal point while blending naturally with the warm tones of the seating and walls.

Console

Bonsai Placement

The elegant bonsai on the center table introduces balance and serenity to the space. Its sculptural form adds an artistic focal point while complementing the sleek, modern interiors.

Living room

Monstera Placement

Placed thoughtfully in the corner, the Monstera adds a bold touch of greenery that softens the space. Its sculptural leaves complement the natural light and luxurious finishes, bringing balance, freshness, and elegance to the room.

Stairway

Pachira Placement

The Pachira adds sculptural elegance to the corner near the stairs. Its braided trunk and lush canopy enhance the space with height, calm, and visual harmony.

Shreya’s Space

Green Retreat Nook

A serene blend of tabletop, wall-hung, and floor planters transforms this corner into a refreshing wellness zone — perfect for mindful pauses and quiet energy.

Vertical Glow

This sleek vertical planter, softly lit from behind, adds height, warmth, and a refreshing green touch to the corner — turning an empty wall into a living statement.
